

2019 Impact Report

Calendar year: January - December 2019

Every **STUDENT** Deserves to know they can have *a dream* and *THEIR DREAM* can become a reality.

Since 1999, Cutler-Orosi Community for Youth, a nonprofit foundation, has been committed to enhancing the educational experiences of Cutler-Orosi Joint Unified School District students. Your generous donations continue to make a difference! Thank you!

Enrichment Grants

Our priority is to ensure that all students in Cutler-Orosi have the same opportunities for success that other communities provide. Contributions made by employees and our partners are used to enrich the lives and educational experiences of students through supporting community sports, innovative classroom and school programs (that can't be funded with district funds), and providing graduating seniors with scholarships to help pay for their college education.
