

*Since 1999, Cutler-Orosi Community for Youth, a nonprofit organization, has been committed to enhancing the lives and educational experiences of Cutler-Orosi Joint Unified School District students.*

Our priority is to ensure that all students in Cutler-Orosi have the same opportunities for success that other communities provide. Contributions made by employees and our partners support community sports, help students attend competitions and support school/club activities (that can't be funded with district funds), and provide graduating seniors with scholarships to help pay for their college education.
