

# 2024-25 Impact Report

School year: July 2024 - June 2025

Every **STUDENT** Deserves to know they can have *a dream* and *THEIR DREAM* can become a reality.

Since 1999, Cutler-Orosi Community for Youth, our nonprofit organization, has been committed to uniting the community in support of educational, social and recreational opportunities for positive youth development in Cutler-Orosi Joint Unified School District. Your generous donations continue to make a difference! Thank you!

## Enrichment Grants

Our priority is to ensure that all students in Cutler-Orosi have enriching experiences. Contributions made by employees and our partners are used to support community sports, student expenses for competitions and school/club programs (that can't be funded with district funds), and to provide graduating seniors with scholarships to help pay for their college education. Any CFY member can request a grant.
